Gentlemen

After receiving the exchange of 3 letters regarding me and the American Cancer Society, in the National Observer May 4th, 1970. Your offer to send the complete text of all correspondence regarding this matter to interested individuals the writer would be most appreciative for such information.

Incidentally information concerning your stand regarding the Surgeon-Generals Report would also be most welcome, if available.

With cordial wishes to you, I remain

Sincerely

Robt C. Wilmot Ph D.
Chemical Consultant
